**STEWARDSHIP - *Diver's Disease*:** The old mountain preacher's text was "They brought Jesus to those who were taken with diver's disease." The old preacher declared in his sermon: "Now doctors can scrutinize you, analyze you, and sometimes cure your ills, but when you have diver's disease, and then only the Lord can cure you. And brethren, there is a regular epidemic of diver's disease among us.

### UNEXPECTED EXPENSE

About a week ago we discovered during an attempted oil delivery to the parish center that the vent line from the oil tank had collapsed. Our oil company tried to clear it so that we could get our oil delivery but to no avail.

We have had a tank company (recommended by our oil company) in to evaluate the situation and the best we can do right now is to go with a temporary above ground tank so that the parish center can continue to be heated throughout the winter.

At the end of the heating season we will make a decision (getting more proposals) on a permanent solution.

The cost of the temporary fix is \$4,500, which includes removal of the temporary tank at a later date.

You know how important our parish center is in the life of our parish and we could not afford to go without heat. The oil would have run out by this weekend.

### SAVE THE DATE

Thursday, March 7th at 7 pm in the Church

Laugh every day – it's like spiritual jogging. A grudge is a heavy thing to carry. If you worry, you didn't pray. If you prayed, don't worry. Your generosity helped us fill these bags with the daily necessities for those in need. Jesus said to his disciples: "You are the salt of the earth ... **Project Viable Babies Postcard Campaign a Big Success + Follow-up Phone Call!!!**

Last weekend, our parish participated in the postcard campaign to ask our NJ State Representative to support the Pain Capable Unborn Child Protection Act (A-1686/S-537) which would protect babies in the womb at 20 weeks and beyond. Call your one State Senator and two Assembly Members and ask them to support the "Pain Capable" Act (A-1686/S-537).

You can find their phone numbers by visiting <https://www.njleg.state.nj.us/districts/municipalities.asp>, finding your town and the associated NJ District and then selecting the associated District Number. Thank you for participating in this important life-saving project!
